Global Journeys

1. 2019 NSE scholarship winners pose at Concordia for a group picture.

2. Signage at the camp.

3. Circle of Countries on International Day (I-Day). Villagers participate in a variety of activities, games and presentations. The goal is to share the language and culture of their village with others.
Building Global Minded Communities

4. Villagers participate in team-building activities.

5. The village store is a place where campers can buy items and pay for them with Spanish pesos.

6. Singing is a very important part of the day. Villagers learn popular Spanish songs.

7. Upon arrival at camp, campers have to go through customs, and decorate a nametag with a new Spanish name.
Global Growth Experiences

8. Authentic food is an integral part of the immersion experience.

10. Campers participate in Tertulias centered around indigenous languages to get campers involved in activity-based learning.

11. There are many sports that villagers can participate in to reflect the variety of culture in Latin America and Spain.
