

Disabling Translation Features

All schools administering the National Spanish Examinations must disable the translation features through the browsers that will be used to administer the test. Instructions are as follows:

For Google Chrome:

- 1) Open Google Chrome on the device.
- 2) In the top right, click the menu icon (three dots in a vertical column) and select Settings.
- 3) Scroll to the bottom and click Advanced.
- 4) Under the 'Languages' menu, click Language.
- 5) Turn off the setting next to 'Offer to translate pages that aren't in a language you read'.

For Microsoft Edge (latest version only):

- 1) Open Microsoft Edge on the device.
- 2) In the top right, click the menu icon (three dots in a horizontal column) and select Settings.
- 3) On the left side, click the 'Languages' tab.
- 4) On the right side, turn off the setting next to 'Offer to translate pages that aren't in a language you read'.
